**INDUSTRIAL STRENGTH**  
**CLEAN**  
Multi-Purpose Cleaner Degreaser  
CLEAN AIR SOLVENT

This is a revolutionary cleaning product that contains a surface active system that dissolves and emulsifies all types of soil. Completely safe for the environment, unlike so-called natural products that contain butyl and other harmful chemicals. Simple to use! Works great in hot or cold water. No need to worry about obnoxious "flash-back" vapors when applying with sprayer. It penetrates and easily removes grease, oil, ink, coffee, grass stains, blood, pet stains and other tough cleaning problems from any washable surface safely and quickly. Dramatically outperforms dangerous cleaning products. Complies with all federal, state and local air pollution ordinances. No ingredients subject to EPA SARA Title III. Free from dangerous ingredients commonly found in competitive degreasers which can be detrimental to your health if inhaled or absorbed through the skin.

Features	-	Related Benefits
Industrial strength	-	Concentrated, economical
Water based cleaner degreaser	-	User and environmentally friendly
