Green Liquid HAND dishwash detergent

This dishwash concentrate is built with detergents and grease cutters for performance value. Designed to rinse freely without spots or streaks, this manual dishwash product effectively cleans dishes, pots, pans, cutlery, table ware and other food service items. Emollients provide mildness in continuous dishwashing operations. It has long lasting suds that cut greasy soils and rinse easily with out spotting. The formulation contains no organic soaps or phosphates. This light-green, opaque, lotionized product is ideal for commercial, institutional and residential dishwashing applications.
