

Foodservice

Quarry TILE CLEANER

Heavy Duty Institutional Food Service Formula

Formulated with a unique acid blend and detergent, this product cleans tile and grout in kitchen, meat room, washroom, and other areas. It helps to remove alkalinity, soap film, and grime to make surfaces clean and less slippery. Dark soiled grout lines on floors and walls are easily cleaned. Ideal for use on ceramic tile, quarry tile, and concrete floors to maintain a clean, slip resistant condition.

Features	-	Related Benefits
Removes soils from grout	-	Clean appearance
Cleans concrete and quarry tile floors	-	Safe slip resistant surface
Concentrated	-	Economical
Water-based	-	Nonflammable, noncorrosive
