READY FOR USE

PURE
COCONUT OIL

hand soap

This hand soap is formulated to deliver abundant lather even in hard water. The natural glycerine from pure edible grade coconut oil cleanses the skin thoroughly, rinses freely and leaves hands feeling soft. Liquid hand soaps are more sanitary than bar soaps. The low cost formula and clean lemon scent make this hand soap an excellent choice for any refillable soap dispenser.

FEATURES

- Coconut oil based hand soap
- Enhanced with skin emollients
- Contains no synthetic detergents
- Ready to use liquid
- Clean lemon fragrance
- Fluorescent yellow viscous liquid

RELATED BENEFITS

- Creates rich, copious lather
- Does not dry or chap skin
- Gentle to skin, designed for frequent use
- More sanitary than bar soaps
- Leaves hands fragrance-free
- Luxurious sensation to skin
